Responsive Prayer (as the candles are lighted)

L: We remember the Hebrew patriarchs and matriarchs, whose lives were put under examination and took the first steps of faith to see the promises of God.

C: Their memory and legacy is a blessing forever.

L: We remember the prophets who were abused, mocked, and scorned for telling the truth and calling God's people home.

C: May their truth-telling courage be ours.

L: We remember the apostles of Jesus, the twelve who left all for the greatest adventure of history to take up a cross and follow Christ.

C: May their adventure be a legacy to us forever.

L: We remember the martyrs who would rather die than to revoke the claim of Christ on their life.

C: May their courage be our blessing forever.

L: We remember the Reformers and leaders of the Great Awakening who were filled with God's passion for people they believed mattered to God.

C: May their passion be alive in us.

L: We remember those who helped to build this church, those with vision who labored in faith and gave in sacrificial love.

C: They are alive forevermore.

L: While the world celebrates Halloween, we will remember All Saints Day. We will remember those who passed the baton of faith to us and now rest from labor on earth and are alive with Jesus.
