

MISCELLANEOUS TROUBLESHOOTING

LEFTSIDE COMPUTER

ATEM CONTROL PANEL DOES NOT APPEAR

- When turning on ATEM you should see a panel of controls.
- If you don't see the control panel - quit ATEM and try again.
- If it still doesn't open the window with controls quit all open applications and restart the computer

CANNOT SEE LIVESTREAM IMAGE IN eCAMM

- Go to CAMERA in menu across the top

DO NOT SEE GREEN IN SOUND MONITOR ON MIDDLE DISPLAY

- Have Soundboard person check for muted mics
